MISSION STATEMENT

The mission of the 'Arts in the Cove - A Festival by the Sea' is to celebrate our marine based lifestyle with an authentic seaside fair. In bringing together gifted vendors, fresh farmed foods, culinary products, and performers, with local and visiting patrons, the festival seeks to promote support for the arts and to create a sustainable market for our rainforest artists and artisans. Our objective is to capture the furtherance of, increasing awareness in, and sharing the importance surrounding our rainforest island's arts and oceanic lifestyle.

WHO WE ARE

Nestled in the heart of Coffman Cove, Alaska, on the second weekend in August, lies a cherished annual tradition that has been bringing together communities and visitors for the past 12 years. The "By the Sea" Arts and Seafood Festival, which originated from humble beginnings, has evolved into a significant component of SE Alaska's artistic tapestry. However, recent circumstances have lead to changes that include a new business name, a new 501c3 status, and a new gaming license. Please help us continue this tradition under our new name "Arts in the Cove - A Festival by the Sea".

The 'Arts in the Cove - A Festival by the Sea' is a testament to the power of community and the enduring spirit of the people of Coffman Cove. Despite facing challenges, the festival has evolved and adapted, ensuring that it remains a cherished annual tradition for years to come. As the festival embarks on this new chapter, it is poised to continue celebrating arts in all their forms and bringing together communities and visitors alike.

WHY SPONSOR US?

Our Festival is a great opportunity to showcase your business, products or services. Sponsors are recognized with regular announcements, signage around the festival, and on our website with a link to your webpage. Our sponsors and contributors play a HUGE part in making our event so successful!

This year we are needing to replace a few tents, upgrade our sound system, and purchase more tables and chairs. We hope you will consider contributing to our cherished annual festival where numerous people travel from all over SE Alaska and the surrounding rainforest islands to attend and participate. Without your generous support, none of this would be possible.
